

Kensington Community Aquatic and Recreation Centre redevelopment

Providing Kensington with a brand new, modern recreation experience that puts community first.

Timeline update

Construction on the new centre is progressing smoothly, bringing us one step closer to opening our doors and welcoming you into the facility in mid-2025.

We look forward to keeping you updated as we approach the grand opening!

What's happening on site?

- Crews are hard at work in the stadium, putting the finishing touches on the flooring and joinery.
- Things are really shaping up at the main entrance, with major works on the façade underway.
- The children's water play area is taking great shape, with crews working on the spouts and fountains.
- The 25-metre indoor pool is getting its final touches, with tiling and drainage works moving along swimmingly!
- Crews are installing the 80,000 litre rainwater tank which will be used for irrigation and toilet flushing.

Accessibility the new centre

The new centre will be fully accessible so that everyone can join in. Features include a fully accessible indoor pool with a ramp, handrail and aquatic wheelchairs. There will also be four accessible change rooms with toilets throughout the centre, including one on the pool deck, and a lift to ensure people can access all levels with ease.

For visitors who need mobility support, the centre will offer a Changing Places facility funded by the Victorian Government, fitted with a hoist and full-sized change table.

Hasstle-free travel this holiday season

We're minimising disruptions from late December 2024 to early January 2025, ensuring smooth and hassle-free travel for pedestrians and traffic.

Election results declared

We welcome our new Lord Mayor Nick Reece, Deputy Lord Mayor Roshena Campbell and the nine councillors who will serve Melbourne over the next four years.

Expressions of interest for bookable spaces now open

The Y Victoria is seeking expressions of interest from clubs and associations to book indoor spaces at the new centre including the sports courts, swimming pool (aquatic lane hire) and rooms.

Applications close on Tuesday 10 December 2024 - to find out more, please scan the QR code below.
